ABOUT ME

IT student majoring in Mobile Development and Analytics with experience in customer service and virtual assistance. Agile-minded and adaptable, with strong problem-solving and communication skills. Passionate about creating efficient, user-focused solutions and leveraging emerging technologies to deliver innovative results.

EDUCATION

Bachelor of Science in Information Technology

Asia Pacific College

2023-2027

Information and Communication Technology

Dona Josefa Campus

2021-2023

EXPERIENCE

JIGA MAGS AND TIRES

<https://www.jigacorporation.com/>

2024 (3 months)

Web Designer

Designed and developed a website using WIX, implementing a major revamp of the previous site. Focused primarily on front-end enhancements with minimal back-end modifications to improve user experience and visual appeal.

RAY FITNESS

2022 (6 months)

Virtual Assistant-Social Media Manager

Managed a fitness trainer's social media page, creating engaging content and interacting with the audience. Handled customer support by addressing inquiries, managing subscriptions, and responding to FAQs to ensure client satisfaction.
